

## SCHEDULE RP-A

**CONFIRMATION OF COMMITMENT BY APPLICANT  
AND COORDINATING REGISTERED PROFESSIONAL (CRP)**

- Note: (i) This letter must be submitted before issuance of a *facility permit*.  
(ii) This letter is endorsed by: Architectural Institute of British Columbia and the Association of Professional Engineers and Geoscientists of British Columbia.  
(iii) In this letter the words in italics have the same meaning as in the Vancouver International Airport Authority Development Rules (Development Rules).

Re: Design and *Field Review* of Construction  
by a *Coordinating Registered Professional*

To: The *authority having jurisdiction*  
Vancouver International Airport Authority

Re: \_\_\_\_\_  
Name of Project (Print)

\_\_\_\_\_  
Address/Location of Project (Print)

(Professional Seal and Signature)

\_\_\_\_\_  
Date

The undersigned has retained \_\_\_\_\_ as a *coordinating registered professional* to coordinate the design work and *field reviews* of the *registered professionals of record* required<sup>1</sup> for this project. The *coordinating registered professional* shall coordinate the design work and *field reviews* of the *registered professionals of record* required for the project in order to ascertain that the design will substantially comply with the National Building Code of Canada and other *applicable codes and standards* respecting safety and that the construction of the project will substantially comply with the National Building Code of Canada and other *applicable codes and standards* respecting safety, not including construction safety aspects.

“*field reviews*” are defined in the Development Rules for *registered professionals* to mean those reviews of the work

- (a) at a project site of a development to which *Facility Permit* relates, and  
(b) where applicable, at fabrication locations where building components are fabricated for use at the project site that a *registered professional of record* in his or her professional discretion considers necessary to ascertain whether the construction substantially complies in all material respects with the plans and supporting documents prepared by the *registered professional of record* for which the *facility permit* is issued.

The *applicant* and the *coordinating registered professional* each acknowledge their responsibility to notify the addressee of this letter of the date the *coordinating registered professional* ceases to be retained by the *applicant* before the date the *coordinating registered professional* ceases to be retained or, if that is not possible, then as soon as possible. The *coordinating registered professional* acknowledges the responsibility to notify the addressee of this letter of the date a *registered professional of record* ceases to be retained before the date the *registered professional of record* ceases to be retained or, if that is not possible, then as soon as possible.

<sup>1</sup> It is the responsibility of the *coordinating registered professional* to ascertain which *registered professionals of record* are required, and to initial each Schedule RP-B.

Project Name

The *applicant* and the *coordinating registered professional* understand that where the *coordinating registered professional* or a *registered professional of record* ceases to be retained at any time during construction, work on the above project will cease until such time as

- (a) a new *coordinating registered professional* or a *registered professional of record*, as the case may be, is retained, and
- (b) a new letter in the form set out in Schedule RP-A or in the forms set out in Schedule RP-B, as the case may be, is filed with the *authority having jurisdiction*.

The undersigned *coordinating registered professional* certifies that he or she is a *registered professional* as defined in the Development Rules, and agrees to coordinate the design work and *field reviews* of the *registered professionals of record* required for the project as outlined in the attached Schedules RP-B including coordination and integration of functional testing of fire protection and life safety systems.
