Vancouver International Airport Authority ("Airport Authority") does not take custody or possession of vehicles and accepts NO RESPONSIBILITY for loss or damage to vehicles, accessories or the contents thereof caused by fire, theft, collision, water or any other cause whatsoever.
- Compliance**
While driving on Airport Authority lands, all persons must comply with all vehicle laws of the Province of British Columbia and Airport Authority rules and regulations, which are subject to change without notice. Vehicles not displaying a valid hang tag, parked contrary to signs or pavement markings, or other than in designated parking spaces (ie. drive aisles, ramps, etc.) will be towed at the owner's expense.
- Hang Tags**
Hang tags must be hung from the vehicle's rear view mirror facing outward. Hang Tags and access cards remain the sole property of the Airport Authority and are for the use of one parking space only for their period of validity. The Airport Authority reserves the right to cancel parking privileges in which case all issued hang tags and access cards must be immediately returned. Vehicles not displaying a valid hang tag are subject to ticketing and towing at the owner's expense.
- Billing**
The applicant authorizes the Airport Authority to charge the applicable fee to the credit card given on their application form, on or about the first day of each and every month until the applicant cancels in accordance with these terms and conditions.
- Transferability**
The applicant is prohibited from the sale, rental, transfer or otherwise making available to third parties the hang tag(s) or access card(s) for valuable consideration.
- Cancellation**
Pass holders must provide notice of cancellation in writing to the Airport Authority one month from the requested cancellation date. The Airport Authority reserves the right to cancel misused hang tags or access cards at any time without notice.
- Lost, Stolen or unreturned Access Cards and Hang Tags**
A \$25 fee will apply to lost, stolen or unreturned access cards or hang tags.
- Miscellaneous**
Parking fees are subject to change as determined by the Airport Authority giving one months notice of the change. To qualify for the bonus Aeroplan miles, the applicant must purchase a minimum of 3 months parking. The program is not available to Airport Employees or Commercial Vehicle Operators. All applications are subject to approval by the Airport Authority. These parking terms and conditions are subject to change by the Airport Authority without notice.
