

BOARD OF DIRECTORS ADMINISTRATIVE GUIDELINES

INTRODUCTION

The terms of reference for the Board of Directors define the role of the Board of Vancouver International Airport Authority (“the Authority”). The following points outline the key guidelines governing how the Board will operate to carry out its duties of stewardship and accountability.

1. Best Interests of the Authority

The Board of directors is responsible, under law, for the management of the Authority’s business and its affairs. The Board oversees the conduct of business of the Authority and supervises management, which is responsible for the day-to-day conduct of business. Although some directors are appointed by the Nominating Entities to bring special expertise or a point of view to Board deliberations, the best interests of the Authority must be paramount at all times.

2. Terms of Reference

Terms of reference for the Board, its Committees, the Board Chair, the President, and the Corporate Secretary are reviewed annually by the Governance Committee. This committee will propose any changes to the Board for approval.

3. Corporate Strategy

- 3.1. Management is responsible for the development of an overall corporate strategy to be presented to the Board. The Board’s role is to ensure that there is a strategic planning process, and then review, question, validate, and ultimately endorse the strategy for the Authority and monitor its implementation.
- 3.2. One Board meeting per year will be devoted to a review of the strategic plan.

BOARD OF DIRECTORS ADMINISTRATIVE GUIDELINES

4. Principal Risks

The Board should have a continuing understanding of the principal risks associated with the Authority's business; and it is the responsibility of management to ensure that the Board and its committees are kept well informed of changing risks. The principal means by which the Board reviews risks are its committees, especially the Finance and Audit Committee. It is important that the Board understand and support the key risk decisions of the Authority, including a comprehension of the appropriate balance between risks and rewards.

5. Internal Controls and Management Information Systems

Integral to the Board's overall responsibilities is the existence of control systems, which ensure the effective discharge of these responsibilities. A balance has to be achieved between imposing controls that give the Board reasonable assurance that its responsibilities are being discharged and avoiding the creation of an unnecessarily bureaucratic and costly system of control mechanisms. The confidence of the Board in the ability and integrity of management is the paramount control mechanism.

6. Succession Planning and Management Development

The Board considers succession planning for the role of President and CEO to be an important and ongoing responsibility, both in the event of an unanticipated vacancy (the emergency situation), and for sound preparation for orderly changes. The Human Resources and Compensation Committee is charged with the detailed annual review of these matters. This Committee also reviews, with the President, the development of the Senior Management team and the succession plans for each of the Vice Presidents. The Human Resources and Compensation Committee will report to the Board, annually, on all these matters.

BOARD OF DIRECTORS ADMINISTRATIVE GUIDELINES

7. Communications Policy

- 7.1. The Board considers it a function of the Board to set communication policy and approve the content of the Authority's major reports to the public, including Annual Reports, prospectuses and offering memoranda.
- 7.2. The Board considers it a function of management to speak for the Authority in its communications with the community, employees, airport partners, customers, suppliers and governments.
- 7.3. It is expected that members of the public and persons interested in the airport often will communicate their concerns and questions to directors rather than to management. It is important that directors inform management of such communications, so proper action can be taken and accurate responses can be made by the appropriate representative of the Authority.
- 7.4. Directors may be requested by management to assist with communications or a director may be approached directly to speak publicly about the Authority. In all cases directors are asked to advise the President's office of the request. The President is responsible for ensuring that communication activities are properly co-ordinated and that directors are provided with full assistance in preparing and making any public statements or presentations.

8. The Chair of the Board

- 8.1. The Board supports the concept that the role of Chair is separate from that of President. The Board is able to function independently of management when necessary and the Chair's role is to manage and provide leadership to the Board.
- 8.2. The Board will select a Chair from its members annually through a secret ballot at the first Board meeting held after the annual meeting of the Members. The procedure for election of the Chair is attached to this Tab as Appendix 1.

BOARD OF DIRECTORS ADMINISTRATIVE GUIDELINES

- 8.3. The Chair is a non-executive position and the Board estimates the Chair will spend roughly four days per month in excess of what is required for regular director responsibilities, undertaking the responsibilities of that office.
- 8.4. The Chair is assisted in the discharge of the Chair's responsibilities by the Corporate Secretary who is appointed by the Board.
- 8.5. The Chair of the Governance Committee will act as the Chair of the Board when the Chair is absent. In the event that the Chair is unable to act as such, the Chair of the Governance Committee shall be the Acting Chair until such time as the Board appoints a new Chair.

9. Committees

- 9.1. The Board has developed a set of Guidelines for Committees which apply to all committees and task forces established by the Board (See Tab 15b).
- 9.2. Each committee and task force operates according to a Board approved mandate outlining its duties and responsibilities (See Tab 15). The current structure is set out below, and current membership is set out at Tab 15a.
 - 9.2.1. Finance and Audit Committee;
 - 9.2.2. Governance Committee;
 - 9.2.3. Human Resources and Compensation Committee; and,
 - 9.2.4. Planning and Development Committee.

This structure is subject to change from time to time as the Board considers which of its responsibilities will best be fulfilled through more detailed review of matters in a committee or task force.

10. Task Forces

- 10.1. The Guidelines for Committees (Tab 15b) also apply to task forces established by the Board. Task forces are committees of the Board, but differ from other committees in that each task force is established for a

BOARD OF DIRECTORS ADMINISTRATIVE GUIDELINES

specific period of time to undertake a specific task, and is then disbanded.

- 10.2. Each task force operates according to a Board approved mandate outlining its duties and responsibilities.
- 10.3. The structure will be reviewed regularly as the Board considers which of its responsibilities will best be fulfilled through more detailed review of matters in a task force.

11. Committee Chairs and Committee Members

- 11.1. The Board Chair is responsible to the Board for annually proposing the leadership and membership of each committee. The Chair will conduct an annual written survey of directors asking them for a statement of preferences, including setting out which committee assignments would be sought, which would be acceptable and which would be unwanted. This information will be taken into account, but shall not necessarily be determinative of the committees to which a director may be appointed. The survey form is attached to this Tab as Appendix 2.
- 11.2. In preparing membership recommendations, the Board Chair will consult with the Chair of the Governance Committee and the President and then the full Governance Committee, and take into account the preferences, skills and experience of each Director. Committee Chairs and members are appointed by the Board at the first Board meeting after the annual general meeting, or as needed to fill vacancies during the year.
- 11.3. The Board favours a periodic rotation in committee leadership and membership in a way which recognizes and balances the needs for new ideas, continuity and maintenance of functional expertise.

12. Committee Meetings

Each committee's meeting schedule will be determined by its Chair and members based on the committee's work plan and terms of reference. The committee Chair will develop the agenda for each committee meeting. Each committee will report in a timely manner to the Board on the results of its meetings.

BOARD OF DIRECTORS ADMINISTRATIVE GUIDELINES

13. Board Meetings and Agendas

- 13.1 The Board meets a minimum of six times per year, usually every other month.
- 13.2 The Board Chair and the President, in consultation with the Corporate Secretary, will develop the agenda for each Board meeting. Under normal circumstances, the agenda and the material will be distributed to Directors not less than four business days before the meeting. Each Director may propose items for placement on any part of the Board agenda by putting them forward to the Chair directly, or, through the President or the Secretary.
- 13.3 Meetings are usually held at the airport, although they may from time to time be held elsewhere in Richmond or Vancouver. Also Directors are encouraged to attend special functions and events, which might occur three or four times per year.

14. Information for Board Meetings

- 14.1 Material distributed to the Directors in advance of Board meetings should be concise, yet complete, and prepared in a way that focuses attention on critical issues to be considered. Reports may be presented during Board meetings by Directors, management or employees, or by invited outside advisors. Presentations on specific subjects at Board meetings should briefly summarize the material sent to Directors, so as to maximize the time available for questions regarding the material and discussion of the topic.
- 14.2 It is recognized that under some circumstances, due to the confidential nature of matters to be discussed at a meeting, it would not be prudent or appropriate to distribute written material in advance.

BOARD OF DIRECTORS ADMINISTRATIVE GUIDELINES

15. Non-Directors at Board Meetings

The Board appreciates the value of having members of the management team attend Board meetings to provide information and opinions to assist the Directors in their deliberations. The Board, through the Chair and the President, will determine management attendees at Board meetings.

16. Session of Non-Management Directors

16.1 Non-management Directors of the Board will meet in camera for a portion of every Board and Committee meeting.

16.2 In addition, non-management Directors will normally meet once each year in a special session led by the Board Chair. Immediately thereafter the Chair will discuss the results of the special session with the President as further described in Section 28 of these Guidelines.

17. Board Relations with Management

17.1. Board policies and guidelines are issued to management for their adherence. Directors who have questions or concerns on management performance may direct these to the Chair, to the President, or through Board and committee meetings.

17.2. Directors must respect the organizational structure of management. A non-management Director has no authority to direct any employee.

18. Size of the Board

The By-laws allow for up to fifteen Directors. The Governance Committee will review the number of Directors annually and make recommendations to the Board with a view to the best interests of the Authority.

20. Criteria for Board Membership

20.1. The Governance Committee will review annually the general and specific criteria applicable to candidates to be considered for nomination to the Board. The objective of this review will be to maintain the composition of the Board in a way which provides the best mix of skills and experience to guide the long-term strategy and ongoing business operations of the Authority. This review will take into account the desirability of maintaining a balance of skills, experience and background, with appropriate diversity, along with the key common characteristics required for effective Board participation.

20.2. The following are specifically barred from membership on the Board subject to the exceptions provided for in Section 1.8 of the By-laws that permit at any one time one member to be exempted from the exclusion set out in subparagraph 20.2.3 and one member to be exempted from the exclusion in subparagraph 20.2.4:

21. Communicating Director Criteria to the Nominating Entities

- 21.1 The Board Chair and the Governance Committee Chair have the responsibility to ensure that the criteria developed by the Governance Committee are communicated to the Nominating Entities at least three months before the end of the current appointee's term. The communication should explain the reason the criteria were developed and encourage the Nominating Entity to consider the needs of the Authority.

BOARD OF DIRECTORS ADMINISTRATIVE GUIDELINES

21.2 The communication must be written and whenever possible be supported by a personal visit by the Board Chair or the Governance Committee Chair to the person(s) charged with the responsibility of making the appointment.

22. Selection of New Director-at-Large Candidates

The Board is responsible for identifying suitable candidates to be recommended for election to the Board as Directors-at-large. The Governance Committee has the responsibility of gathering names of potential nominees, screening their qualifications against the current skill and experience needs of the Board and making recommendations to the full Board. All Directors are encouraged to identify and recommend potential candidates to the Governance Committee. Additional input to the process is provided by the President. An invitation to a candidate to stand as a nominee for election to the Board will normally be made by the Board through the Chair.

23. New Director Orientation

New Directors will be provided with an orientation and education program which will include written information about the duties and obligations of Directors and about the business and operations of the Authority, documents from recent Board meetings and opportunities for meetings and discussion with senior management and with other Directors. The orientation program for each new Director will be tailored to that Director's needs and areas of interest. An outline of the Director Development and Education Plan for all Directors can be found at Tab 8 of this Board Manual.

24. Assessing the Board's Performance

The Governance Committee is responsible for annually assessing the overall performance of the Board and its committees. The objective of this review is to contribute to a process of continuous improvement in the Board's execution of its responsibilities. The review should identify any areas where the Directors or management believe that the Board could make a better collective contribution to overseeing the affairs of the Authority.

BOARD OF DIRECTORS ADMINISTRATIVE GUIDELINES

25. Individual Director Peer Evaluation

The annual individual Director peer evaluation process is set forth at Tab 10b. It is designed to provide each Director with an opportunity to examine his or her own effectiveness, compare his or her personal assessment with the assessment of all other Directors, to identify areas of improvement and have a candid conversation with the Board Chair. The process is confidential and the results are shared only with the Director and the Board Chair.

26. Board Compensation

- 25.1 Details regarding Director compensation are outlined in Tab 11 of the Board Manual.
- 25.2 The Governance Committee will review Director compensation every two years and will recommend changes in compensation to the Board when warranted.

27. Term of Service

Directors are elected for three-year terms. Other than the Chair and the President, Directors may not serve on the Board for longer than nine years as set out in Section 1.5 of the By-laws. There is a limited exception allowing a Director to serve for up to one additional year if the turnover on the Board in a given year would otherwise be greater than two.

BOARD OF DIRECTORS ADMINISTRATIVE GUIDELINES

28. Evaluation of the President

- 28.1 The Human Resources and Compensation Committee will conduct an annual Performance Evaluation Process for the President, measured against objectives and other relevant criteria established in the previous year by the Board and the President. An outline of the Performance Evaluation Process for the President can be found in Tab 9 of the Board Manual.
- 28.2 This performance evaluation will be communicated to the President by the Board Chair. The evaluation also will be used by the Human Resources and Compensation Committee in its deliberations concerning the President's annual compensation.

29. Levels of Authority for Management and the Board

Directors have no authority to make financial commitments for the Authority other than as a secondary approval as set out in the document entitled "signing authorities" for management and the Board set out in Tab 20.

30. Outside Advisors for Individual Directors

Occasionally, a Director may need the services of an advisor to assist with matters involving responsibilities as a Director. A Director who wishes to engage an outside advisor at the expense of the Authority must obtain the written authorization of the Board Chair or the Chair of the Governance Committee.

31. Corporate Secretariat

The Board and individual Directors are assisted in their work by the Corporate Secretary whose role is generally described in the Terms of Reference at Tab 14 of these Rules.

BOARD OF DIRECTORS ADMINISTRATIVE GUIDELINES
