

INTERNATIONAL/USA ARRIVALS CONNECTIONS MAP

All U.S. and international-arriving passengers will proceed up escalators/elevators from their gate to Connections Level 4. Passengers arriving with through-checked baggage may stay on this level and use the connections facilities here.* Check the flight information screens to locate your next gate. Passengers will proceed through Passport Inspection (Customs). Some passengers may be required to go through security screening, so please pack duty-free liquids in your check baggage. **Keep all inbound and outbound boarding passes ready for scanning.**

TO CANADA

Passengers arriving from participating airlines* and connecting to Canada flights may use the Canada connections facility on Level 4 and then proceed directly to their next gate on Departures Level 3. Follow signs for **"Canada Connections"** and then **"A B C Gates"**. Passengers requiring new Canadian student or work visas must go to Immigration on Arrivals Level 2 before connecting and cannot use this facility.
