

YVR Green Pledge

As a YVR Green Partner, _____ is committed to
excellence in environmental management.
COMPANY NAME

By signing this YVR Green Pledge, we will:

1. Continuously plan, implement, and evaluate operational improvements that save energy, reduce waste, conserve water, and improve ecosystem health on Sea Island;
2. Work collaboratively by participating in Project Green YVR tenant programs and sharing environmental plans and achievements with other YVR Green Partners and the Vancouver Airport Authority; and
3. Extend the reach of our positive impact by engaging employees, customers, business partners and community members in continuous environmental improvement.
