

## Summer 2019 Travel Tips

---

Vancouver International Airport (YVR) is once again set to experience its busiest summer travel season yet. From now until Labour Day, we're expecting close to 100,000 passengers to travel through the airport every single day. To help ensure a comfortable experience, YVR offers the following tips for passengers travelling through the airport.

- Confirm travel details in advance. Days before your trip, confirm reservations with your airline, and determine baggage specifications and what your airline offers in the way of onboard service.
- When packing, remember that restrictions continue to apply for liquids, gels and aerosols in carry-on baggage. These details and a complete list of summer getaway tips from CATSA, including a link to CATSA's app, can be found at [catsa-acsta.gc.ca](https://catsa-acsta.gc.ca).
- Online check-in is available for most airlines serving YVR. Print your boarding pass before you leave for the airport or have it emailed to your handheld mobile device.
- If you are driving to the airport, have a parking plan. Pre-book your YVR parking at [yvr.ca](https://yvr.ca).
- Travel to YVR on the Canada Line is quick and efficient, delivering you to the terminal door in 30 minutes or less.
- If you are picking up friends or family at the airport, you can park short-term in our parkade—or take advantage of 30-minutes of complementary parking at our cell phone waiting lot.
- Allow ample time to check in, clear security and board your flight. Factor in time for traffic congestion, parking and walking to the terminal. Please check with your airline and arrive at the recommended time for your flight. This is typically 90 minutes before a domestic flight, two hours if you're travelling to the U.S. and three hours for an international flight.
- Make sure you say hello to the YVR Ambassador Dogs, part of the Less Airport Stress Initiative (LASI). The dogs are around the terminal Mondays through Fridays from 11 a.m. to 1 p.m. and can be easily identified by their YVR branded leashes and St. John Ambulance bandanas.
- Once through security, relax and enjoy a variety of summer activities including live entertainment in the terminal.
- YVR has more than 170 shops, services and restaurants. For a complete list, visit [yvr.ca](https://yvr.ca).
- Questions? Keep an eye out for YVR's friendly group of Customer Care employees in blue jackets and Green Coat volunteers.
